

Wickr RAM Foreign Mission Partner Installation Checklist

NOTE: If you have not received your Wickr RAM Welcome Email, DO NOT complete these instructions

Step One: Download/install Wickr Enterprise (RAM)

 For Mobile Devices visit the respective mobile application stores (icons to the right) and download Wickr Enterprise to your mobile device.

- 2. For Desktops download the latest version at <u>https://wickr.com/downloads/</u>
- Note if you are on a managed device and cannot download the application, please contact your local administrator

DO NOT Open the Wickr Enterprise App at this time

Step Two: Configure Wickr RAM via Deeplink

- 1. Click this link; DEEPLINK your account will begin the configuration process
- 2. A window will appear asking you to Open Wickr Enterprise, select Always allow; click "Open Wickr Enterprise."
 - a. The DEEPLINK may take a moment to begin the configuration process of your account.
- 3. The Wickr RAM User Acceptance Agreement window will open, Click OK or Agree & Continue
- 4. The login window opens.
 - a. Sign in with your provided credentials.
 - b. You will be prompted to change your password at first login.

If you receive "Invalid Username or Password", or have other issues please contact your MPCO Sponsor or MPCO support at
